**Keynote Speaker Mike Madrid** | Wednesday, April 9

The California Legislative Delegation is proud to present Mike Madrid, a distinguished political strategist and commentator with extensive experience in California politics. Renowned for his groundbreaking research on voting behaviors, Mike is a leading expert on political communication strategies targeting Latino communities in the U.S.

Mike will be sharing his unique perspective as an advisor to both the Democratic and Republican Senate Caucuses of California.

Attend this fascinating presentation and hear about the new political structure facing California due to social uncertainty, demographic shifts, job market adjustments and the overall mood of a changing electorate, and how insurance and risk management will be affected.

*We are a coalition of the California Chapters of RIMS representing risk management professionals employed by hundreds of companies and organizations, with the purpose of promoting education, communication and positions on current legislation, and acting as an industry resource for our membership and public officials.*
